Additional Information

1. GFI Requirement: Electricity furnished to vendors will be **Ground Fault Interrupt protected**. Your equipment must be properly grounded and compatible, as the Americana Festival will not override this protection to provide electrical service to your concession and you will not have access to electricity.
 - Vendors are responsible for furnishing connection between their equipment and the festival's panels
 - Because electrical power is limited, vendors will be advised upon acceptance of festival's ability to fulfill stated electrical requirements.
